# County Commission— Supports Sugar Quotas Studies Grand Jury Aid

Support for a new bill now in Congress which would set sugar quotas for Palm Beach County growers, was voted by the County Commission Monday, in a resolution adopted by the board.

Commissioner Paul Rardin, Canal Point, who called for the resolution, said the present sugar act expires June 30 and at that time new quotas will be set.

The board approved the resolution and instructed that it be sent to Florida's state congressional delegation.

Chairman Lake Lytal said "this legislation means a great deal to this county, more than anything else at this time."

In recent months, millions of dollars have been channeled into the Everglades to be spent in raising and processing sugar cane. Increased quotas set by Congress would assure an expanding market for the product.

The Commission had under advisement, a request from the Full Grand Jury that funds be appropriated to finance an investigative staff for the jury.

The request was part of the Grand Jury's final report to the County Commission.

## FOLKS ASK FOR MORE

### Dr. Hartz Institute On Family Life Well Received

The "Family Life Institute," held March 5-7 by the PTA of Belle Glade High School, was pronounced an unqualified success by Dr. M. Fisher, president.

The three day lecture by Dr. Edwin T. Hartz, Ph.D., of the FSU Extension Division, on marriage and family living closed Wednesday, March 7, with a panel discussion during the school assembly period at 2:30 p. m. at the gymnasium. A total of 450 youth plus 32 adults crowded the bleachers and listened intently to the five-member panel, moderated by Dr. Hartz, puzzled over such student-submitted questions as: How can you tell if a marriage will succeed? What are the chances if the man is younger than his wife? Will an inter-faith marriage work? Are family devotions necessary or helpful? When should the eleventh-grade boy come home from a date? At what age should one start going steady? What's the best length for an engagement? How can you make your folks realize you're no longer a child? Can a girl be in love with two boys at once? Should an eighth grader go with an eleventh grader? How can you tell if you're ready for marriage? What do you think of Ann Landers and the other free-advice columnists?

Pondering these pointed problems were the panel members: Mrs. James Ball, the Reverend Mr. Luther A. Key, Miss Gloria Smith (12th grade), Miss Anna Marie LeChance (11th grade) and Mr. Charles Thompson (10th grade).

And the young folks mean business, too. Dr. Hartz remarked in the presence of this reporter, "I've found that the average group of students in your school here."

During the school days, Dr. Hartz lectured to a class of 85 seniors, 94 juniors, 112 sophomores, and 164 freshmen. Really earning his wife's money, he worked daily from early a. m. 'til near midnight. And this professional service cost our PTA a modest \$100.

Beside the school groups, Dr. Hartz spoke to 15 clergymen at a specially called Ministerial Association meeting (reported last week), at 10 at the PTA Board Meeting, to 30 at a High School Assembly.

## County Commission Request

# 4-Lanes Are A To Hooker Hwy S 27 East To Lake Harbor

Palm Beach County Commission is attending the State Highway Board meeting today with recommendations that US No. 27 for a distance of four miles approximately be widened to four lanes from two lanes to Lake Harbor. The project is to be built during the current fiscal year.

Numbered request of the County, by the four-laning of State Road No. 15, and US No. 441 from Avon to the Belle Glade northward to Hooker Highway, including the bridge.

This request was made by the City Commission of Belle Glade to the County Commission, and the County Board is making a

## SO YOU'LL KNOW

The following figures have been given privilege to sell us sugar for the first time, while you and I were thinking American Citizens—farmers would be considered:

	Tons
Brazil	306,402
India	175,000
Colombia	40,007
Ecuador	35,589
El Salvador	12,000
Guatemala	15,000
French West Indies	75,000
Australia	90,000
Paraguay	4,000

Mexico was given 589,531 additional tons; Peru 502,933 additional; El Hombre's successors were given 221,738 additional after we failed to keep him in office, in the Dominican Country.

Continental Cane—Florida and Louisiana — are asking for a hike from 6 to 900,000 tons.

We Americans (no speak, da talk) understood by our Give-away State Department!

## We Don't Need FHA Or City Builders ?

Mr. L. P. Price, Secretary of the local Chamber of Commerce reports that on Monday he had applications from eight families representing 28 new would-be residents, for housing. He was able to take care of one family.

On Tuesday he had two families representing seven folks; he took care of one family of four.

FHA's new rule outlawing speculative building hasn't hit yet, but his engineer is overwhelmed with percolating (see water tables, etc., in mucklands. Most likely the author of his text-books in school didn't know about pest soils, and certainly had no experience.

In the Glades we MAKE rules, true trial and error, and leave it to the "educated" folks to adhere to their thoughts.

## Rainbow To Sponsor Spaghetti Supper Sat.

The Order of Rainbow is having a spaghetti supper Saturday night from 5 to 8 p. m. at the Masonic Temple. The public is invited to attend. On Monday night initiation of new members will be held, at the regular meeting.

## BG Junior C of C 24 Hr. Membership Drive Ends Tonight

The Belle Glade Junior Chamber of Commerce will be holding a twenty-four hour membership drive today. The drive began last night at 7:30 p. m., running through 7:30 p. m. tonight.

All guests will be treated to dinner at the Cottage Grill Restaurant this evening. All Belle Glade Jaycees are prepared to answer any questions about Jaycees on the local, state and national levels.

This drive will be followed with a pot luck dinner at the Country Club next Thursday night, March 22nd. All guests and their wives will be invited to attend this joint function of the Jaycees and Jay-Cettes.

Mr. Ken Kendall of Kendall Construction Company, West Palm Beach, Florida, will be the speaker on the Jaycees program tonight. Mr. Kendall's company is building the new school on S. E. 4th Street. The Jaycees are interested in his ideas as to what future plans are for new homes in Belle Glade.

This week, the commission referred this request to County Attorney Harry Johnston for his study and recommendation. The board needs to determine its legal position in the matter before budgeting any funds.

## Spring Vegetables Yield & Quality Suffer From Cold

Spring crops in this area were given a "slap" early last week, when high winds and frost covered much of the area.

The spring corn crop was coming along nicely, but the adverse weather killed 4,300 acres and damaged a big portion of the remaining crop according to the Crop Reporting Board. The extent of damage of the crops remaining cannot be determined, as nature works in peculiar ways sometimes. Most growers agree that the corn yields and quality will be reduced during much of the spring shipping period due to damage from the cold bad weather.

Damage to the spring beans crop was heavy in spots away from the lake. "Pods" were hit hard. The spring beans crop is expected to be well below normal in average this year.

Last crops were burned from the recent bad weather. Quality and yields will be reduced, but the volume of these items were due to decrease shortly anyway.

Radishes were given a "beating" and supplies are expected to be a little lighter next week. Peas on most farms are coming around the lake remain good. Celery and cabbage are the talk around town with both at \$5.00 per crate Tuesday. Broccoli and Escarole bringing mostly \$1.50 per crate and Radishes \$1.50 per bushel.

The unusually dry weather is taking its toll on some crops, as quality and yields are reduced, but the better prices appear to offset this situation, making for a profit to the growers in the area. Let's hope the situation continues.

## Students - Jr Hi, High & Jr College Distribute 43,000 Boca U Kits

The entire student body—both adult and day students—of Palm Beach Junior College began a doorbell-ringing campaign yesterday in behalf of their new University at Boca Raton. Purpose — to distribute 10,000 pieces of educational literature about the University and the same number of contribution envelopes to their families, relatives and neighbors.

Tomorrow some 33,000 elementary, junior and high school students will be making a similar door-to-door pilgrimage delivering the postage-free addressed envelopes which, it is hoped, will be promptly returned with generous contributions to Boca U.

The school system segment of the effort to raise at least \$100,000 to assure the opening of the University on schedule in 1964 is headed by a committee of three school leaders. They are Dean Paul Glynn of the Junior College; Howell C. Watkins, superintendent of schools; and Robert Fulton, principal of Sacrest High School in Delray Beach.

Glynn emphasized that the children and college students would not be permitted to accept contributions.

"Their job is to distribute the envelopes and to answer questions about the University and the campaign," he said. "Parents, relatives and friends are urged to mail their donations in the envelopes at once."

Senator Ralph Blank, Jr., in discussing the school campaign with county leaders, pointed out that it is customary for both "tax support" and private institutions of higher learning to be supported in part by voluntary contributions. He cited the example of Tampa where residents contributed more than a quarter of a million dollars to assure the location of the University of South Florida in that city.

He also pointed out that the people of Pinellas County — representing every nationality and church denomination — contributed more than \$1,000,000 to secure a Presbyterian College for that area.

"These people realized," Blank declared, "that no single thing is more beneficial for a longer time to any community than the existence of a great university in their midst."

Persons wishing further information about the University may call the Resources Development Board of Palm Beach County at TE 2-3794.

# In Miami Saturday— 93 Cane-Sugar Growers Plus 3200 Democrats Hear Lots O Sweet Words But No Sugar Quota

## Freddie Stevens Directs Navy Band

Frank Simonelli, reputed the world's best on the Post Horn, thrilled more than 1,000 at the evening performance of the Navy Band, Tuesday night, after having kept 1800 high school pupils goose-eyed during the daytime performance.

Freddie Stevens, Belle Glade High's own director performed "in high cotton" when he was privileged to direct the band in one number, to the delight and approbation of the audience.

Navy folks maintain that the 500 more in attendance at the Navy Band performance than at the Marine appearance last year is a distinct proof of the Navy's superiority, but listen to the Marines — (can't print it!) Anyhow, folks herabouts love both bands, and are most enthusiastic in praise of the Navy's performance. Those who just love music, those who lean to the jazzy type, and those who appreciate the finer symphonies professionally rendered were more than pleased.

Due to the scarcity of overnight sleeping facilities a score or more members of the band were cured for in private homes.

To the satisfaction of the Director and those in authority, Belle Glade folks praise the appearance, gentlemanly conduct, professional performance and generally friendly attitude of the members of the band.

## Were they Forgetful Or Just Excited?

Two of the Glades largest farmers left the Glades Saturday afternoon, in different groups, and were half way to Miami before discovering that their \$100 tickets to the Democrats movie and vote getting dinner had been left behind.

The travelling companion of one turned back to South Bay to secure the pastebore.

Companions of the other one put him out at Andytown for a while, and set the stage cunningly for the open-handed acknowledgment and confirmation by the President that "Senator Smathers is my close personal and political friend, and I hope he will be returned to the US Senate."

Three of Florida's statesmen — all good Democrats — Governor Bryant, Senator Spessard Holland and Senator George Smathers built a background of factual support for presidential praise of Florida's progress to date and predictions of expansions in higher education facilities, scientific accomplishments and industrial growth, at Miami Saturday.

Ninety three Glades sugar growers plus hundreds of directly connected individuals of complimentary and associated activities, listened in vain for polite and consoling reference to some plan for saving a hundred million dollar industry ALREADY in Florida, from India, Mexico and others who are enjoying sugar quotas that North Americans might use to furnish North Americans a daily table need — sugar.

Apparently the High Command of the Democrats were afraid the State Department to give-away boys might tell the Republicans if some concern were shown to Florida Democrats who work for a living — the cane sugar producer.

The Governor was eloquent in his praise of Florida's leader.

## Something New In Railroad!

Historically, railroads have sat down and expected business to come to them, as they had for only service for long hauls. When you came, they generally left the idea that they were going you a favor to even consider accepting your business, except volume shippers.

Now, you may receive a brochure thru the mail pointing out the advantage of Piggy Back movement by rail and the several types.

They even say "we custom tailor the service to your needs."

Something new in railroad — and it's healthy for them and for you and me.

Belle Glade and Clewiston are listed as "ramp stations," for receipt and delivery.

## 5 To 3 Belle Glade Drops Opener To Jupiter

A five run second inning by Jupiter was enough to beat the Rams Friday by a 5-3 score.

In the disastrous second homer, Frasure walked an infield single and a Ram error.

The home nine was held to one hit by Jupiter pitcher, Marty Malmonquist. It was a scratch single by Tommy Bass.

The only potent part of the Ram attack was their baserunning. The Rams were successful in 7 straight throws.

Frasure struck out 12, walked 7, and gave up 4 hits. Malmonquist struck out 4, walked 3, and gave up 1 hit. Each team committed two errors.

The Rams open conference play this Friday, March 16, against Stuart here.

## Rezoning Of Area Near S. Bay RR Asked By Board

At the regular meeting of the South Bay Zoning Board Monday night, the group recommended that the three blocks of Estero were Monday night rezoned and also made the recommendation that Richard Sands build a duplex home in this area.

In other recommendations that the City Council follow through with the action that no signs be posted in the city, that no grants be made for signs to be put up U. S. 27 and to something about those already up.

The council was asked to clean up the Triangle and asked that Floyd Wilder purchase flower seeds to be planted and other one thousand plants to be planted in the Triangle and Parks as a development program.

The council was asked to ask for a guard rail to be placed at Jeffries Memorial Park close to U. S. 27 for the protection of the children playing there. There was discussion on a new ball field for Little League teams and the possibility of park resigning as the city council will not abide by its ordinances.

Mr. and Mrs. J. H. Harrell and Roger had their Sunday dinner guests Mr. and Mrs. Arley Hicks and children, Debbie and Keith, of Lantana and Mr. and Mrs. Milton Harrell and family.

Mrs. O. M. McAllister has returned to her home in Bean Avon Park where she is visiting her brother, Joe Allen of Columbus, Ga., and relatives in Ashburn.

Mr. and Mrs. E. C. Clineard have as their house guest Mr. Clineard's sister, Mrs. Agnes Hinkley of Nashville, Tenn.

Mrs. Martha Allison of Belle Glade visited with Rev. and Mrs. J. O. Jameson Sunday.

## W. C. Allen Makes Missile Base Tour

W. C. Allen, long time member of South Bay American Legion Post 161, who has been active in all phases of Legion work was chosen from the South Bay Post to make a tour of Cape Canaveral Atlantic Missile Range with 34 other legionnaires from throughout the state.

The tour included the center operations on Missiles of the 22,000 man Force of the Army-Navy and civilian team at work the Cargo aircraft and a fleet of ocean vessels. The Cape Canaveral project was begun in 1950 and improves each year.

Mr. Allen said he enjoyed the tour and it was well worth his trip to the Cape Canaveral Atlantic Missile Range. He feels it was a great honor to be chosen by the Legion to make the trip.

Mr. and Mrs. J. H. Harrell and Roger had their Sunday dinner guests Mr. and Mrs. Arley Hicks and children, Debbie and Keith, of Lantana and Mr. and Mrs. Milton Harrell and family.

Mrs. O. M. McAllister has returned to her home in Bean Avon Park where she is visiting her brother, Joe Allen of Columbus, Ga., and relatives in Ashburn.

Mr. and Mrs. E. C. Clineard have as their house guest Mr. Clineard's sister, Mrs. Agnes Hinkley of Nashville, Tenn.

Mrs. and Mrs. H. Fleming of Inverness were house guests of her brother and sister-in-law, Mr. and Mrs. Albert Snyder last week.

Mrs. Frank Prevatte and daughter, Junell spent the weekend in Indian River with her husband, Frank Prevatte.

## Dr. Hartz Institute

(Continued from Page One)

School Faculty Meeting, in addition to brief appearances at the Lion's Club (31) and the Community Methodist Church (123) Oh, yes, and in private, individual counseling sessions.

Perhaps the most helpful periods for adults were the two evening sessions held March 5, 6 in the Cafeteria. These lectures-discussions have provoked a lot of serious thought in the 165 conscientious moms and dads who enrolled for the sessions. The only criticism heard by this reporter was a unanimous "To short when can we have another Institute, at least a week long!" That's what we want to know too.

P. S. You parents who didn't attend (about 700 of you, we estimate) must watch for the fuller report of these adult sessions and a very pertinent question—in next week's HERALD.

Mr. and Mrs. J. H. Harrell and Roger had their Sunday dinner guests Mr. and Mrs. Arley Hicks and children, Debbie and Keith, of Lantana and Mr. and Mrs. Milton Harrell and family.

Mrs. O. M. McAllister has returned to her home in Bean Avon Park where she is visiting her brother, Joe Allen of Columbus, Ga., and relatives in Ashburn.

### Dinner Party Honors "Girl of the Year"

Xi Beta Gamma Chapter members and husbands held a Dinner Party Saturday, March 17th, at the Royal Palm Inn in honor of the Chapter's new "Girl of the Year."

Mrs. Francis Cross, "Girl of the Year" for 1981, gave a brief resume of qualifications necessary to receive this honor, and then introduced Mrs. Brines Strong as the Chapter's choice for this year. She was awarded a lovely engraved sterling silver compote and also presented with a yellow rose corsage.

At the Beta Sigma Phi State Convention at Orlando in March, Mrs. Strong will compete for State "Girl of the Year."

Attending the party were Mrs. and Mrs. Hector O'Connell, and Mrs. Brines Strong; Mr. and Mrs. Milton Carpenter; Mr. and Mrs. Eddie Jones; Mr. and Mrs. Neil DePamphilis; Mr. and Mrs. Francis Cross and Mr. and Mrs. Wm. Gruber.

Walter Ashley's Garage

216 S. E. Ave. E. Belle Glade, Florida  
TUNE-IN MAVERICK — Sunday 7:30 p. m.  
HONG KONG — Wednesday, 7:30 p. m.

bers and friends of this and other states will be in attendance throughout the session week.

Top Personnel Roster

Heading the top ranked rosters will be the Rev. Dr. James Carl Sams of Jacksonville, general president of the convention, pastor of the noted Second Baptist Church, and the vice-president of the National Baptist Convention of America.

The women will be headed by Mrs. H. B. Miller, Green Cove Springs; Senior Women, Mrs. Agnes L. Dean of Sebring; Junior Women; Mrs. Idella Williams, Sarasota, Ushers Union; Mrs. Mattie L. Alexander, Orlando, Youth Supervisor and Rev. H. Whitehurst of Sanford, co-supervisor. Mrs. M. M. Warren of Bowling Green, general directress of the Children's Convention and the Rev. W. J. Glover, St. Petersburg, Chief Shepherd, Mr. Sam Davis, Jacksonville, layman brotherhood.

Outstanding Program

Acclaimed as one of the finest personelled and manner of its kind in the nation, the convention entertains a total program centered around Evangelism, Mission and Christian Education. Mindful of its civic responsibility, the convention sponsors a joint civic hour at which time prominent persons are heard. This year's speakers are the Rev. C. K. Steele of Tallahassee and Dr. E. Black of Texas. The meeting will be held at 2 p. m. March 21.

Additional to the vast official

delegation, numerous local ministers and lay people of Belle Glade and near by areas will play important roles at the meeting.

Dr. Adams in addition to his very important task as key host, will also head the activities of the joint educational rally. Others include Mrs. Amelia Houston, 2nd vice-president of the Senior Women Convention and general chairman of the "South Senior Program."

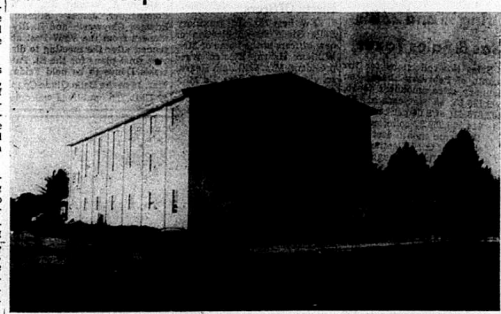

Mrs. Elizabeth Miller is serving as chairman of the Housing Committee; Mrs. Rosa L. Thompson, will be assistant recorder for the Senior Women and Mrs. Daisy Murrell is corresponding secretary. Mrs. O. D. Williams, Key Worker; Mrs. Rosa House, third vice-president; Mrs. Osie Scruggs, Mrs. Susie A. Williams, Mrs. Ida Kerr of the Junior Women's Department are among the key workers.

Churches and Pastors

Sister churches cooperating are the New Bethel Baptist Church, the Rev. O. D. Williams, minister, and also the corresponding secretary of the present body; Mt. Calvary Baptist, Rev. P. Beasley, minister; Mt. Calvary, South Bay, Rev. E. Coffie and other churches and pastors whose names were not available at this time.

The host church will present a pre-opening and welcoming program March 19 at 7:30 p. m., with outstanding religious, civic and Educational figures participating.

St. John First Baptist Church Dedication will be Sun. Mar 18

THIS NEW SPACIOUS and imposing structure is the St. John First Baptist Church, 600 S. W. 8th St. The overall dimension is 105' x 50' with an auditorium approximately 50' x 75' on the second floor and Sunday School rooms, with a large balcony included on the third floor. The first floor is composed of dining room and recreation facilities.

Dedication service for the new St. John First Baptist Church, 600 S. W. 8th St., Belle Glade has been set for Sunday, March 18 at 3 o'clock p. m. The speaker will be the Rev. J. K. Bryant of the Tanager Baptist, West Palm Beach, in charge of the service, beginning at 8 p. m.

ister announces that on Wednesday night, the Ministerial Alliance was in charge of a pre-dedication service and tonight (Thursday) the minister of Community Methodist Church, the Rev. Lee D. Rustin will be in charge of the service, beginning at 8 p. m.

**GIVE AMERICAN CANCER SOCIETY**

Cuban Corner

Noticias de Los Cubanos  
The members of the Adult class in English to Foreign-born are becoming increasingly proficient in being able to express themselves in English, both spoken and written. The following paragraphs were written in class time, for use in this column:

I am very happy to be here, but some days we think, "What will happen to our Cuba?" because when I receive news by letter from my family, who say about the travel, or when some of our friends come, I don't know what I think. Many times I say, "I will live here for a very long time."

Mrs. Carmen Blancos

Today I come to this column very sad because I received some notices from our town about friends of ours. One of them was shot, and the other was put in jail for thirty years. I have known both of them from my childhood. One was the owner of a gas station, and the other is a doctor of medicine. This one lived all his life besides my grandmother's house, and all his family are very close friends of ours. His children were always in my grandmother's house. I think that this is hard to believe this thing, but it is a bitter truth.

—Name withheld

On Sunday, I had a visit from my wife, my children, and my grandchildren from Miami. I passed a most agreeable day in their company.

—Felipe Sagastume  
I am hopeful about my mother and sister coming to this lovely country. They are having a bad time in Cuba, but at least they have had the last step necessary to leave our country. I enjoy every day reading the news about this country, and I hope it will not be so long, as ex-President of Costa Rica said, that in Cuba we can read the news, "be free." "Now no news in Cuba." Only from Russia.

—Mrs. Jose Ruiz  
I went to Miami Sunday to visit my little nephew, because it was his birthday. He is four years old. He is a Cuban refugee, too. He was very happy because he received plenty of presents to play with—Rafael.

Soler  
This last week, I went to Miami to say good bye to my niece, Aurora Torres, because she was going to Nicaragua to join her sister. She was with me one month, and now I will remember her very much because I don't have anyone to speak with. I liked very much having with me someone of my family. I will be homesick.—Mrs. Jorge Iglesias

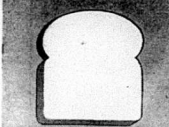

I arrived in Belle Glade about a month ago. I am living with my sister, Mrs. C. Cardenas. We live upstairs. We have a dog. I like Belle Glade very much. The Drive-In movie is very large, and many people go there, but there are many mosquitoes. I am very happy to live with my sister and brother-in-law.

Miss Silvia Alvarez

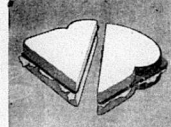

Silver Springs was Florida's first tourist attraction. As early as 1870 people were journeying to the Springs by riverboat and overland stage to view its natural wonders.

## Six Fla. Counties

Bring 1/2 and 2/3's

## Gas & Sales Taxes

Sales tax collections for the month of February based on January sales amounted to \$1,599,135.28, an increase of \$1,293,876.41 or 9.04 per cent over the same month last year. Total sales tax collections this fiscal year, July through February, amount to \$118,671,309.54, an increase of \$5,118,567.28, or 4.58 per cent over the \$111,552,642.26 collected to date last year.

Gasoline tax collections during the month of February based on January sales amounted to \$11,145,064.33, an increase of 6.44 per cent over the \$10,470,395.95 collected during the same month last year.

Total gasoline tax collections this fiscal year amount to \$823,428,838.84, an increase of \$2,358,521.43 or 2.94 per cent over the \$80,070,317.38 collected to date last fiscal year.

These figures are very encouraging. Apparently the tourist season started late but is now in full swing, with good effect on tax collections.

Palm Beach County is fifth in \$5 collections of sales tax, with Dade first, Broward second, Duval and Hillsboro following, Orange is sixth.

The six account for two state's total of \$15,599,000 for sales tax collections for the month of February.

**Santa Claus Around Again With Tax Money**  
Growers of corn, grain, sorghum, and spring-planted barley now may sign up to take part in the 1962 Feed Grain Program, A. R. Harrington, Chairman, Agricultural Stabilization and Conservation County Committee, announce today. The sign-up period will extend through Mar. 30.

Operation of the program, the chairman explained, will be similar to the 1961 feed grain program.

Likewise its objectives are the same (1) to increase farm income; (2) to further reduce the excess feed grain stocks; (3) to reduce government costs of farm programs; (4) to reduce the risk of serious overproduction of meat, poultry and dairy products and (5) to assure consumers of fair and stable prices for these products.

All producers of corn, grain sorghum, or spring barley are eligible to take part in the feed grain program, which calls for the diversion of acreage formerly planted to one or more of these crops into an approved soil-conserving use. The program is voluntary, but program participation by farmers who produce these feed grain crops is required if they want to be eligible for price support on their feed grain crops, including oats and rye.

In accordance with the Laws of the State of Florida, a public auction will be held at the Seagraves Correctional Institution, located approximately 10 miles north of the city of Belle Glade, Florida, at 10:00 A.M. on Friday, March 22, 1962, for the sale of 50 tons, more or less, of mixed scrap metals, including iron, steel, and aluminum, and other materials, as specified in the attached bid forms and specifications. Bids may be received from 12:00 P.M. to 4:00 P.M. on Thursday, March 21, 1962, at the Seagraves Correctional Institution, Belle Glade, Florida.  
Pub: Mar. 15, 1962

**NOTICE OF ANNUAL MEETING OF LANDOWNERS OF RITTA DRAINAGE DISTRICT**  
Notice is hereby given that, pursuant to call of the Board of Supervisors of Ritta Drainage District, the annual meeting of the landowners of Ritta Drainage District, for the year 1962, will be held at Ritta Drainage District, located at the intersection of U.S. Highway 1 and U.S. Highway 1A, in the town of Palm Beach, Florida, on Thursday, April 5, 1962, at 1:15 P.M. in the afternoon. The purpose of the meeting is for the purpose of electing one Supervisor for the year 1962 and for the purpose of reviewing the annual report and the financial statement of the district and for the purpose of transacting such other business as may properly come before the meeting.  
The undersigned, SUPERVISOR OF RITTA DRAINAGE DISTRICT, by W. C. PERRY, President.  
Pub: Mar. 15, 22, 1962

## VFW Auxiliary Elects Officers

VFW Post No. 181 Auxiliary, Belle Glade staged election of new officers at the home of Mrs. William Hearn. Elected were: president, Mrs. William Hearn; sr. vice president, Mrs. Ed Mikovsky; Jr. vice president, Mrs.

Henry Vaught; treasurer, Mrs. J. While. Mrs. Henry Snider was appointed secretary.

Henry A. Vaught, Jr., VFW Commander, James Ellinson, Edward Clayworth and B. Rynders from the VFW Post attended after the meeting to discuss final plans for the St. Patrick's Dance to be held Friday Mar. 16 at the Belle Glade County Club. The public is welcome.

## Hazel Mae Jettors Buried At Port Mayaca

Mrs. Hazel Mae Jettors, 22, N. W. 12th St., drowned in an accident on March 8, was a native of Tennessee and had lived here five months. She had been employed by Sam Senter Farms. Survivors include her hus-

band, Charles and two sons, Curtis Dewayne and Michael, of Belle Glade, mother Mrs. Ira Holden, Belle Glade; one brother, James Holden, city; three sisters, Mrs. Billy Joe James, Miss Vera Dean Holden, Miss Tommy Mae Holden all of Belle Glade.

## Vaughn Services Held Saturday

Joseph Fearman Vaughn, 25, N. W. 15th St., drowning victim of an early morning accident, whose body was found March 8, was a native of Georgia and had been a resident of this city for 15 years. He was employed by Pioneer Growers and affiliated with the Baptist Church.

Survivors include his widow, Sarah, two daughters, Pamela and Regina, of Belle Glade; his mother, Mrs. Lucy Bell Vaughn Thomasville, Ga.; two sisters, Mrs. Madge Oute, Belle Glade and Mrs. Robble Lou Mashburn Thomasville.

Funeral services were conducted at Northside Baptist Chapel Saturday March 10, with interment in Port Mayaca Cemetery. Rev. Ed Straner officiated.

## A Personal Message from Joe Alderman

Sometimes a man can get his back to the wall through no fault of his own. I am in that position now. I believe most of the people of Pahokee and Belle Glade understand the background and conditions which have forced me to this point. It was entirely unavoidable on my part, and I believe unjust. However, be that as it may, the fact remains that when you get in a bind you just have to get out the best way you can.

The best and only way that I can see out is to cut my merchandise to the bone, sell it, and pay out. It will hurt me, but you, our friends and customers, will benefit. And we want you to benefit. You

have been good to us through the years. We deeply appreciate that. We are grateful to all our friends for their patronage and for their friendship.

So, as we open our doors again and start the most drastic price-cutting sale in our history, we don't want you to feel you are "taking" our stuff. We've got to sell it. We want you to have the advantage of it. We will sincerely appreciate your buying now, as we have in the past, and as we will in the future. Thank you.

JOE ALDERMAN

## Educational Loans

### Increasing In Banks

The number of consumer educational loans granted by banks doubled over the past two years, and the dollar volume more than tripled, according to a recently completed survey by Changing Times, the Kiplinger Magazine.

Of the 841 regular commercial banks that responded to the Changing Times survey, 117 reported that they had set up educational loan programs, most of them within the last three years. Another 95 said they were considering plans. In the two years from 1959 to 1961, the number of consumer educational loans granted by the banks in the survey jumped from 5,000 to more than 13,000; the dollar volume rose from \$12,201,000 to \$37,324,000, not including the sizeable amount of money lent by banks for education purposes as a part of their regular personal loan operation, or the amounts disbursed by nonbank financial agencies that specialize in educational loans.

Reporting on the survey in the current issue of the magazine, the editors state that most lenders are enthusiastic about their programs, and that all indications are that commercial loans for college will mushroom and will soon be operating in a market that runs in the hundreds of millions.

"To make their programs pay, though, the lenders say they need much more volume and so are going heavy on promotion and advertising," the editors note. "As a result, loans are offered under a bewildering variety of names... and rates and terms are varied under a flood of selling devices."

The new commercial loans for education are, for the most part, reasonable competitive programs. Changing Times point

ut, "These loans are not 'aid.' They are commercial transactions, like car loans, based on profit."

Whether a student should use them depends on his particular problem the editors advise. "Obviously you should canvass all sources of help. If you can obtain a scholarship or a long-term, low-interest loan, fine. If not, perhaps a commercial loan will do..."

"If borrowing means that you can attend the college you want to go to, then it's surely well worth it."

### Grand Jury Recommendations

We recommend that the County Solicitor immediately nolle pross the information against Martin Klenberger, Louis Carroll, Bruce Wheeler, T. Harold Williams, A. C. "Boots" Carver and Joseph Logio. It is believed that much of the testimony given before the Grand Jury upon which the indictments were based has now been changed in MATERIAL MATTERS and that therefore there is insufficient credible testimony to be presented to a trial court in these cases. And therefore no useful purpose would be served in further action at this time.

Among other subjects covered by the Grand Jury we find: Your Grand Jury has heard substantial testimony in reference to the conditions existing in the County Jail during the period from February to August, 1951. IT APPEARS THAT WHISKEY, NARCOTICS and other illegal merchandise was brought into the County Jail regularly and was sold to the inmates of the County Jail. These conditions are shocking to the members of this Grand Jury.

We urgently request that the laws of Florida be amended to require proper and careful operation of County jails and to punish those who are charged with the operation and who neglect their responsibility.

Any person or official having information relative to the investigations under consideration by the Grand Jury should produce the information to the Grand Jury prior to its release to the news media. It is believed that release to the news media of information while this condition is under consideration interferes with the work of the Grand Jury.

Your Grand Jury is dependent upon the investigative department of the various law enforcement agencies and unless competent, intelligent and able investigators perform these services the work of the Grand Jury is greatly hampered and sometimes even obstructed.

It is urgently recommended that all law enforcement agencies retain competent, able and intelligent personnel and provide regular training programs for all personnel.

Your Grand Jury requests that moneys be provided to permit the Grand Jury to retain its own investigative staff. It is believed that such investigative staff will assist the Grand Jury in impartially making its own inquiry in areas where there may be conflict or doubt.

We recommend strict enforcement of all beverage laws and in particular the SALE OF INTOXICATING LIQUORS TO MINORS. We request all agencies make regular checks of all establishments so as to prevent the sale of liquors to minors.

This Grand Jury has witnessed BRAZEN FALSE SWEARING on the part of a number of witnesses, before it, and we urge the Grand Jury to respectfully suggest that the conduct of such persons tends to directly JEOPARDIZE THE GRAND JURY SYSTEM unless they meet with prompt, certain and stern punishment by competent authority.

We recommend that the Grand Jury terms be increased to three terms each year.

This Grand Jury has encountered many difficulties in the performance of its duties because of the INCOMPETENT INVESTIGATION AND THE LACK OF COORDINATION IN THE INVESTIGATION AGENCIES.

We have sometimes found something to be desired between investigation and prosecution.

The matters and things which have been under investigation in this County during the last several months have received wide publicity which has served to REFLECT DISFAVOR ON THIS ENTIRE COUNTY. We, the Grand Jury, now believe that some serious thought be given by the citizens of this county to some type of NON POLITICAL NON PARTISAN, CITIZENS ORGANIZATION TO SERVE IN THE CAPACITY OF A COM.

Today: Eddie Jones, E. F. Allen.

March 16: Buck Waldron, Nancy Boots, Bobbie Braddock.

March 21: Donna Crews, Amanda Davis, Mary Elizabeth Roth.

### UNCLE DAN from DOOLIE says:

Dear Mister Editor:

The feller that runs the county store announced Saturday night he'd appreciate gitting his two-bits worth into the conversation for a change. As a general rule he don't take no part with the fellers solving the world problems ever week, but Saturday night he was chomping at the bit about spending all his time keeping store records for them tax agencies.

He claims things is worse now than they was back when the OPA was regulating prices. He recollected that back in 1940 when the OPA removed price ceilings on cowbell, bullrings, horseshoes and cocktail shakers, he wrote 'em that he didn't have no cocktail shakers. They told him to git some.

He said things has went from there to worse and today he don't know whether the tax folks owns his business or he owns it. All he knows for shore he claims, is that he waits on a customer now and then when he

MITTEE DEDICATED TO THE PURPOSE OF GOOD CLEAN DECENT LAW ENFORCEMENT AND SUBSEQUENT PROSECUTION of all criminal offenses throughout the County. We further recommend that if such a committee is attempted that careful and serious consideration be given to its STRUCTURAL ORGANIZATION AND FUNCTION.

The Grand Jury has striven to determine whether Palm Beach County is a CRIME RIDDEN COMMUNITY AS HAS BEEN PUBLICLY STATED BY SOME LOCAL CITIZENS. We firmly believe that SUCH STATEMENTS ARE NOT ONLY WITHOUT FOUNDATION IN FACT BUT ARE such that a consumer of such irresponsible utterances can only result in undue served damage to the welfare of our entire county.

The Grand Jury wishes to express its sincere and grateful appreciation to William Judge for his able earnest and dedicated service to this Grand Jury. We request a copy of this report be mailed to the Governor of the State of Florida and to the Clerk of the Circuit Court of Volusia County, Florida so that they will know of this appreciation of Mr. Judge's services to this Grand Jury.

This Grand Jury respectfully requests that they be excused

### C. I. T. Executive Forsee Upturn In Credit Buying

A "dynamic upsurge" in consumer installments buying the coming months is anticipated by Universal C. I. T. Credit Corporation, it was reported today by the company district manager for this area, Henry L. Hicks.

Hicks said reports from district managers of the company's more than 400 local office areas over the country show that consumers are in an "exceptionally strong" credit position and in a mood to buy.

"Present indications are that consumers in this area will expand their use of credit significantly," he commented. "This should bring direct benefits to the local business community and strengthen the entire economy of this region."

### UNCLE DAN from DOOLIE says:

Dear Mister Editor:

He allowed from tending his tax books. He allowed as how he was voting again all candidates in the next election and aim to shoot the first one that tried to leave any cards or literature in his store. He claimed he never sold a propagandist ever left at his store that was worth reading was a handbill a feller running for Sheriff come by and left him about 30 years ago. It seems a drunk printer was trying to set a patent medicine ad and the handbill at the same time. He got the handbill out of a bottom drawer and read it to the fellers.

"I wish to announce to the voters of this county that for 25 years I have suffered from asthma and lumbago on the Democratic ticket and thought they was no cure for me until I heard of the office of county Sheriff, for which my doctor advised me to run."

"I have never held county office, but have been troubled with nervousness and handshaking."

"I wish to announce to the voters of this county that for 25 years I have suffered from asthma and lumbago on the Democratic ticket and thought they was no cure for me until I heard of the office of county Sheriff, for which my doctor advised me to run."

"I have never held county office, but have been troubled with nervousness and handshaking."

## More Residents, Students, Housing, Cars, Voters Sales & Gas Taxes, Phones, Money Than In '55

The PB County Resources Development Board has issued a collection of facts about Palm Beach County which demonstrates the County's growth since 1955 and is a factual support for great claims.

There is a growth of 60 percent in population since '55 from 157,086 to 255,897, according to the reports with a capacity in the county for housing 41,000 more folks than we have.

Restaurant capacities have grown 25 percent with ability to seat 57,762 and approximately an 18 percent increase in hotel accommodations.

Even postal receipts have grown about 75 percent, while sales taxes have gained more than 225 percent and gas taxes about 60 percent and auto tags 65 per cent since '55.

The assessed valuation in the County has skyrocketed 400 per cent, and homestead exemptions about 50 percent, while total dwelling units have increased 60 percent to a total of 97,490.

The telephone business has seen a 90 percent increase in number.

There is a school enrollment of 45,658 in the county for a year five increase of approximately 45 percent.

Agricultural-Products Sales have topped \$103 million made up of 50 million in winter vegetables, ten in cattle, 10 in dairy products 7 and one-half million in cut flowers and nursery, with raw sugar and by-products bringing 20 million.

They say our effective buying income per capita is \$1,858 for

ing, so feel I am well qualified. I was operated 2 months ago for appendicitis, so feel I am cut out for the duties required. I have had 14 teeth pulled to see if it would help me pull in the votes. I have gained 40 pounds and hundreds of votes and am feeling like a new man.

"While it has been impossible for me to see all the voters personally, I will say that this has been a Godsend to me and I will appreciate your vote and 2 bottles of your magic tonic."

Ed Doolittle said the storekeeper made him recollect the country editor that ran the paper over in his county when Ed was a boy. According to Ed, the paper came out occasional and sometimes oftener. It came out only when the editor got riled up about someone.

Yours truly,  
 Uncle Dan

a total of \$436,337,000. Our banks and savings institutions have a total of half a billion for a 100 percent increase, with savings and loan associations gaining 500 percent for a total of \$191,335,000. There are 89,129 registered

voters, with 103,000 folks working. Beef cattle, dairy products, cut flowers and raw sugar join the socially elite of the world seeking winter relaxation and sunshine in the same county. Money barons of the world

are not strangers to Palm Beach County either. We have industry, social and financial top world-figures, with agricultural products equalling or exceeding the total annual dollar income to the County, from industry and tourism.
